

Submitting Rule 5 Information

Marion County Soil and Water Conservation District

Private Projects:

The Marion County SWCD shares responsibility for implementing Rule 5 regulations with the Indiana Department of Environmental Management (IDEM) and the City of Indianapolis. The Marion County SWCD inspects all projects for erosion control compliance. To facilitate those inspections, project owners are required to send the following documents and information to the Marion County SWCD before any land disturbing activity begins. Please forward the following materials electronically to marionSWPPP@iaswcd.org.

- Approved Storm Water Pollution Prevention Plan (SWPPP)
- A copy of the Drainage Approval Letter from the City of Indianapolis Department of Business and Neighborhood Services
- A copy of the Notice of Intent (NOI) sent to IDEM
- The name and contact information of the person responsible for SWPPP compliance
- A 48-hour notice before construction start-up

City of Indianapolis Owned and Operated Projects:

The Marion County SWCD is responsible for the review and approval of all City of Indianapolis owned and operated projects. To submit a project for review please send the following to Cheyenne Hoffa at [1200 S Madison Ave, Suite 200, Indianapolis, IN 46225](mailto:cheyenne.hoffa@cityofindianapolis.com).

- A draft copy of the Notice of Intent (NOI) to be sent to IDEM
- An 11 x 17 copy of the construction plans
- The Storm Water Pollution Prevention Plan (SWPPP) and all attached maps, materials.
